### Respective Functions of the Board of Governors and the Principal in relation to admissions.

The Admissions Criteria will be applied by a Nursery Committee consisting of the Principal and three Governors, subject to the final approval of the Board of Governors.

Prior to application, parents/guardians are advised to read carefully the Admissions Criteria as well as the Notes of Guidance with the application form. All relevant supporting evidence must accompany the application form. The Principal is available to meet parents/guardians who have any queries regarding the application procedure.

When considering which children should be selected for admission, the Board of Governors will only take into account information which is detailed on or attached to the application form. Parents/guardians should therefore ensure that all information pertaining to their child and relevant to the school's admissions criteria is stated on the application form or attached to it. Examples of such information include whether the child is the eldest child/has brothers or sisters attending the school.

### Admissions Criteria

A timetable of pre-school admissions procedures setting out the dates by which an application is to be submitted is available at [www.eani.org.uk/admissions](http://www.eani.org.uk/admissions) under 'Pre-School Admissions'. During the admissions procedure when applying the criteria punctual applications will be considered before late applications are considered.

The application procedure opens on Tuesday 10 January 2023 at 12noon (GMT) and an application submitted by the closing date of 27th January 2023 at 12noon (GMT) will be treated as a punctual application. An application received after 12noon (GMT) on 27<sup>th</sup> January 2023 and by 4pm on 31<sup>st</sup> January 2023 will be treated as a late application.

As the pre-school admissions procedure is in two stages the timetable also specifies the relevant dates at Stage 2 which will determine if an application is to be considered as punctual or late.

**Please note:** It is the applicant's responsibility to state clearly on the application form how the child meets the stipulated criteria.

Children who are not normally resident in Northern Ireland will not be considered for places until all children who live in Northern Ireland have been considered. Furthermore, preference will be given to those applications that place Holy Family Nursery Unit as their 1<sup>st</sup> choice of pre-school provision and these applications will be considered before other applications.

The Board of Governors have determined that, in the event of there being more applicants than places available the following criteria will be applied, in the order set down, to select children for the available places.
